

Call for Nominations: 2016 WateReuse Awards

Do you know a utility, business, program, or person that deserves to be recognized for showing great leadership in advancing water reuse in their local community or beyond?

The WateReuse Association is accepting nominations for the [2016 WateReuse Awards](#) to be presented during the 31st Annual WateReuse Symposium, September 11-14, 2016 in Tampa, FL. The awards will recognize superior leadership in developing successful recycled water projects, from the treatment facilities that create new sources of supply to the customers, businesses, innovators, and people making a difference every day.

Submit your nominations for superior leadership in water reuse by **July 11, 2016**. You must be a member of the WateReuse Association to submit a nomination.

Award Categories
